ORIGINAL

Dear Mr. Little,

I am writing to ask you to please support full consolidation of the Agua Fria water district.

This is my highest bill to date, in part because I allowed my son and his wife to stay with us for a month while looking for jobs so I knew that the bill would be high. But I was in shock when I got this one. Never in my 44 years of home ownership have I had a bill like this for water and wastewater. I don't know how young families do it.

Be aware that we have "desert" landscaping on a less than 5,000 square foot lot with artificial turf. We have no pool, only a hot tub that has to be barely topped off once a week. It is just my husband and myself normally and I never leave the water running while rinsing dishes or brushing teeth. \$120.00 is the lowest charge that we have had. I feel that it is completely unfair that some people in our district pay only a fraction of that amount for their wastewater.
